MAIN DINING ROOM

With a focus on our mission and commitment to our community, the FareStart dining room was designed with both of these in mind. The heart of our dining room is the large FareStart Community Table located in the center of the dining room and constructed from 2 large beams that were rescued from demolition when FareStart moved into the building. The table makes a perfect spot for guests to gather around for a wine reception or head table for dinners.

MEZZANINE

Located on the second floor of the restaurant, the mezzanine offers sweeping views of the main dining room and a perfect location for additional seating or reception space for your event.
