

FareStart Catering

Thank you for considering FareStart for your special event. Your support is vital to the success of our mission of helping men and women transform their lives. Whether you are hosting a luncheon for 20 or a reception for 250, we can offer guests a first class event venue conveniently located in Downtown Seattle.

MENUS

Our staff will work with you to create the menu and wine pairings that perfectly match your event. Our menu selections offer a full range of flavors that are perfect for everything from a wine reception to formal sit down dinner. We ask that you let us know of any dietary concerns or food allergies as soon as possible so that we can accommodate your guests' needs when creating a menu. Our current menu offerings can be viewed at www.farestart.org.

BEVERAGE SERVICE

We offer a wide selection of wine, beer and non-alcoholic beverages to offer your guests. We are not able to serve hard liquor at the FareStart restaurant. If you have a special beer or wine that you would like to have at your event, you are welcome to bring in your selection for a nominal corkage fee.

OFF-SITE CATERING AND DELIVERIES

We are available for a selection of off-site locations and events. In addition to full service catering and staffing, we also offer a selection of catering menu items that can be prepared by our talented chefs & students and picked up at your convenience. Delivery is available in the Greater Seattle area and requires a minimum food order of \$500.

EVENT FEES & DEPOSITS

Our catering team would be happy to send you an estimated cost for your event once we have had the opportunity to discuss your event with you. At this time we will place a seven (7) business day courtesy hold. We ask that you please return the signed contract along with a \$500.00 deposit to us within **10 business days**. Your event is not considered confirmed until we have received your contract and deposit. We ask that 50% of the remaining estimate amount be paid three (3) weeks prior to your event. The remaining balance, including day of event adjustments, will be invoiced after your event.

AUDIO VISUAL EQUIPMENT

FareStart has music available throughout the venue. We also have a limited selection of AV equipment available and would be happy to work with you to secure any additional AV equipment needs for your event. Please note that we do not staff an AV technician during private events.

FLORAL

Flowers are the perfect addition to any event. We welcome your floral arrangements and will work with your florist to create the perfect touch for your event or can provide you with a list of recommended florists.

RENTALS

If your event requires additional rentals we would be happy to help coordinate the delivery and pick-up of outside rentals. Our preferred rental partner is Abbey Party Rentals, but we can discuss other options as needed.
