

Volunteering for a Shelter Run

FareStart is a non-profit organization that trains homeless and disadvantaged individuals for jobs in the culinary industry, empowering them to transform their lives. Every day of the year we deliver dinner to several area homeless shelters. At most locations we simply drop off these important meals, though at the Downtown Emergency Services Center we also serve. Help us as we deliver food to our neighbors in need. More information can be found at www.farestart.org.
