

CIRCLE of IMPACT

The Circle of Impact annually recognizes the generous support of individuals who give \$1,000 or above, companies and foundations that give \$5,000 or above, legacy donors at any level, and volunteers who make an outstanding contribution of time to support FareStart's mission. Each person and organization on this list is an integral part of the FareStart mission in action. Donations provide everything from kitchen shoes to consulting expertise, from fresh produce to culinary and life skills

training and support services for hundreds of students, from daily stipends for youth trainees to kitchen space and equipment. FareStart could not succeed without all the supporters who give critical resources to that contribute to the health of our community locally and across the country.

Our deep thanks for the outstanding contributions made in 2018 from the following donors:
