

Information on Donating to FareStart from a Donor Advised Fund (DAF)

FareStart welcomes donations through donor advised funds! **Please note** that the IRS has strict rules and regulations as to what constitutes a grant or donation from a DAF. Gifts to Fund-A-Need at our Gala auction can likely be fulfilled through your DAF. However, in most situations, paying for goods and services (like auction purchases or event tickets) is not allowed under the terms of a DAF. **Please be sure to contact your DAF administrator to understand the restrictions around your account.** Thank you for your support of FareStart's work and mission!
