

FareStart's Legacy Circle: *What will your legacy be?*

FareStart invests in our community, in its people and its future. Our vision is a more equitable and just world where everyone has the opportunity to thrive. That means working to provide greater access to opportunity so individuals can break cycles of poverty, addiction or trauma and pursue goals that will bring economic stability and mobility. And for every person who graduates from our job training programs and moves into stable employment, a life is transformed, a family is mended, or a child is supported.

Making a gift through your estate planning to FareStart is a powerful way to have a lasting impact and is one of the most effective and sustainable ways to help FareStart disrupt poverty and promote equity now and for future generations. Members of the FareStart Legacy Circle will help us fulfill our mission of transforming lives, disrupting poverty and nourishing communities through food, life skills and job training.

Your bequest or legacy gift will help thousands of people in the future, both in the Puget Sound region and far beyond.

Why make a legacy gift? Benefits include:

- Creating a legacy that's true to your heart and your values
- The peace of mind knowing your generous gift will be responsibly stewarded by an experienced and respected organization
- Reducing/managing estate taxes

Legacy gifts come in many shapes and sizes, but all make a difference! You can name FareStart in your will or living trust or make FareStart a beneficiary of an insurance policy or IRA. Simple bequests, made through your will or living trust, are the most common type of deferred planned gift.

About DAFs (Donor Advised Funds) and Legacy Giving:

You can make your DAF work for you to fulfill your legacy in perpetuity.

If you have a Donor Advised Fund (DAF), you should know that that the funds you have placed in your DAF may be transferred to the DAF's sponsoring organization's general fund after your lifetime unless you tell your DAF's sponsoring organization how you wish for it to distribute remaining funds, or name a successor, such as a family member, to assume grant-recommending once you are gone. Please consult with the sponsoring organization's representatives to ensure you have stated clearly your wishes in accord with the supporting organization's procedures.

As you consider making future distributions from your DAF, we hope you will continue to keep FareStart and our mission of disrupting poverty at the top of your giving list. Your support gives hope and opportunity to those who are willing to work hard to find their pathway out of poverty. We have a larger impact on hunger, poverty and homelessness due to your generosity and shared vision.
