

Take a Seat at the Giving Table

Giving Table donors are the backbone that sustains the work of FareStart.

From producing meals for hunger relief to revamping job training programs for remote delivery – from innovating new approaches to food security for underserved populations to adapting curriculum for the new, more challenging employment landscape – FareStart is committed to meeting the current needs of our communities and providing real solutions to poverty, homelessness, and hunger.

And we hope you are too. If you're just as committed to helping our most vulnerable neighbors near and far, we've got an easy way you can do it: **take your seat at the Giving Table.**

Join hundreds of like-minded donors in establishing a monthly gift today, and experience:

- Joy in the knowledge that your reliable, ongoing funding ensures the continuation of food security and job training programs that transform lives and communities – one person, one meal, one job at a time.
- Relief from ongoing appeals throughout the year, as recurring giving means we can spend less time fundraising and more time dedicated to carrying out the mission.
- Satisfaction that you are taking a planned, long-term approach to your giving by investing in human potential.
